[Jeopardy For Mac](#)

Macgamestore.com and Encore Software have announced the digital release of a Mac version of the popular game show.

1. [jeopardy](#)
2. [jeopardy host](#)
3. [jeopardy game](#)

Just like its television counterpart, Jeopardy Deluxe is a quiz show that tests your knowledge and ability to retain trivia. The software was previously available only in a boxed version. It costs \$19.95 and a demo is available.
